## **2014 Annual Day Use Pass Available at Tuttle Creek Lake**

MANHATTAN, Kans. – The US Army Corps of Engineers at Tuttle Creek Lake announced that the 2014 annual day use pass is now available. The annual day use pass costs \$30 and is valid nationwide. This pass permits the holder and accompanying passengers to use boat ramps and swim beaches at Corps of Engineers parks without further charge.

Either an annual or a daily pass is required when using day use recreation facilities at Corps parks where day use fees are charged. .

The only area with day use fees at Tuttle Creek Lake is Tuttle Creek Cove Park. A boat ramp day use fee is collected there from April 1 to October 31. A beach use fee is collected from May 15 to September 15.

Golden Age, Golden Access, and America the Beautiful Senior and Access passport holders are eligible to purchase the annual permit at half price. State park permits do not reciprocate with Corps day use permits.

For further information on the day use fee program, visit the Tuttle Creek Lake Visitor Center at 5020 Tuttle Creek Boulevard, Manhattan, or call 785-539-8511.
